## ANNOUNCEMENT

### Accommodation messages on JCS Community WhatsApp groups

Dear JCS Community Members,

As part of our effort to support the community and streamline accommodation related communication, please note the following **guidelines** for posting any accommodation-related messages on the Community WhatsApp Groups:

- ❖ The property must be your own or you must be currently residing there.
- ❖ For shared accommodations, all other residents must be pure vegetarian.
- ❖ Include your area (major intersection) clearly.
- ❖ Mention your full name and phone number.
- ❖ You may attach up to 2 photos per message.

### ***Disclaimer***

Jain Community Services of Canada (JCS Canada) only facilitates the sharing of housing related messages within the community and does not take any responsibility for the actions, conduct, or agreements made by landlords, tenants, or other parties involved. We strongly recommend that tenants enter into a formal lease agreement with the landlord to protect their rights and responsibilities.

**Let's support each other and help local Jain Community grow!**
